

November 1, 2018
Hattiesburg Fire Dept.
Hattiesburg, MS

To Whom it May Concern,

First of all, let me say thank you for taking time to read this memo.

Per your request, please see the following budgetary information for compressor service, air testing, and containment fill station.

SEMI-Annual Breathing Air Compressor Service Program: Scott at Station 1 and Scott at Training Center:
\$2500.00.00/Year: Parts & Labor. Please see below for service details.

Semi-Annual Service:

At the time of the annual preventative maintenance, CATS personnel will perform the following services:

- (1) Lubricant Change
- (2) Purification Cartridge Replacement
- (3) Adjustment Of Drive Belt If Necessary
- (4) Inspection Of Interstage Pressure Gauges & Safety Valves
- (5) Inspection Of Hoses, Air Lines, & Storage Vessels For Hydro-Static Test Dates
- (6) Inspection Of Auto-Drain & Adjustment Of Final Shutdown If Necessary

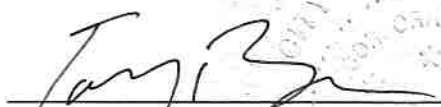

In addition to the above outlined semi-annual services CATS personnel will also perform the following services on an annual basis:

- (7) Replacement of Final Separator & Purifier O-Ring & Back Up Rings
- (8) Replacement of Final Separator Sintered Element If Necessary
- (9) Air Intake Filter Replacement

Net Price \$ 2500.00/per year

Quarterly NFPA 1500 Grade E Breathing Air Analysis Program: \$ 400.00/Year/Unit: 2 Units, \$800

Total \$3300.00 per year

Mayor Toby Barker
City of Hattiesburg
